**Endowment Pool** - Invested for long-term growth and appreciation across multiple investment managers. It seeks to preserve the purchasing power and provide real growth of assets over an indefinite time horizon through long-term investment opportunities and portfolio diversification, while taking into account the level of liquidity required to meet withdrawals from the pool.

**Social Impact Endowment Pool** - Invested in a diversified pool of equities and fixed income aiming to offer capital growth for long-term grantmaking. It seeks to preserve the purchasing power of assets over an indefinite time horizon by following a sustainable investing approach that combines rigorous financial, environmental, social and governance (ESG) analysis, while taking into account the level of liquidity required to meet withdrawals from the pool.

**Conservative Balanced Pool** - Invested to strike a balance between growth and liquidity by combining current income with an opportunity for moderate capital appreciation. It seeks to offer diversified exposure to fixed income with maturities from 1-5 years as well as the entire U.S. equity market for purposes of grantmaking over an intermediate horizon.

**Short Duration Bond Pool** - Invested to offer diversified exposure to fixed income with maturities from one to five years for the purposes of grants over a near-term one to four year horizon.

**Capital Preservation Pool** - Invested to meet the needs of funds with short-term grant objectives. It seeks to preserve principal and provide liquidity and working funds for present and future needs through investment in high-quality, short-term fixed income and cash instruments.

## Definition of Terms

Opening Fund Balance - Your fund's balance at the beginning of the statement period.

Contributions - Irrevocable financial additions to your fund.

Grants - Grants you recommended to IRS-qualified public charities that have been approved and distributed from your fund. This also includes refunds and voids of grants made.

Administrative Fee - CCF charges administrative fees to cover general operating activities. These activities could include gift establishment, receipt of assets and contributions, grants and fund administration, research on nonprofit agencies and issue areas, and other charitable purposes.

Investment Activity, net – This represents the financial returns from the CCF investment pool(s) in which your fund is invested, including interest, dividends and gains/losses as well as the deduction of any investment-related fees.

Fund Balance Transfer - Money transferred to or from another CCF fund.

Other Expenses - Permissible expenses (i.e., legal, phone charges, etc.) related to the administration of your fund.

Net Changes to Fund - The net amount of your fund after contributions, income, grants, administration and grant management fee, investment managers' fees, fund balance transfers, and other expenses.

Ending Fund Balance - The fund's balance at the end of the statement period reported on this statement. This amount includes any contributions, grant distributions, fund balance transfers, and increase or decrease in market value.
