4/23/25	N/A	Planning Division	Measure M2 City Agreed-Upon Procedures Reports	Direct staff to consult with legal counsel, develop guidelines for allowable uses of Local Fair Share funds for "other transportation purposes" and provide communication to cities.	Oct-25	Management will consult with legal counsel and develop guidelines.	
4/28/25	25-506	Capital Programs	Administration	Management should implement standards for the conduct and documentation of fair market valuations (FMV) and require consultant firms to provide opinions of value in writing, including descriptions of the methodology and support for the rates used. Management should also develop and implement procedures to ensure FMVs and related adjustments are conducted and applied in accordance with agreement terms and policy requirements.		Management indicated that an updated corridor appraisal is underway and will be used as the basis for calculating FMV increases. Management will also develop a procedure to memorialize steps taken and any source material used to determine FMVs, including decisions as to imposing such increases.	
4/28/25	25-506	Capital Programs	Real Estate Administration	Management should comply with policy requiring documentation and approval of lease rate adjustments modified or not applied and should implement procedures to ensure lease amendments are processed to reflect negotiated rate adjustments.	Oct-25	Management will develop procedures for documentation and approval of rate adjustments, or waivers of such, on a monthly basis. Negotiated adjustments to lease rates will be included in an amendment to the license agreement.	
4/28/25	25-506	Capital Programs	Real Estate Administration	Management should obtain documentation of the Risk Management Department's (RMD) review and direction as to insurance requirements. In addition, management should consider reviewing and updating license agreements that do not contain insurance requirements or other standard terms and conditions.		Management will obtain a memo from the RMD each January to confirm insurance requirements for above-ground uses and utilities. For unique or unusual uses, or for improved properties, the RMD will be consulted to determine sufficiency of insurance requirements. Management will initiate and document discussions with licensees as to any changes needed to contract terms.	
4/28/25	25-506	Capital Programs	Real Estate Administration	Management should implement procedures for periodic inspection of properties to ensure compliance with agreement terms and to identify unauthorized uses. Inspections should be documented.	Oct-25	Each January, management will review and identify tenants that require more recurrent inspections based on the specific site and the tenants' use of the property. Properties requiring more recurrent inspection will be documented in the tenant file and management will log inspections performed. Other 'as needed' or case-by-case inspections will be performed and documented in the tenant file.
